

S.T.A.R.S.

Mission Statement

1

To provide excellent extra curricular activities for students in a loving, caring atmosphere.

2

To teach these activities from a godly perspective in a Christian setting

3

To benefit ongoing educational programs at BCS through the fees charged for STARS activities

2

Dance

Jennifer McDonald Shepard studied ballet, tap, jazz, pointe and modern dance for 13 years. She attended Dance Masters of America conventions throughout the southeast where she had the privilege of studying under famous dancers and choreographers. She has helped teach dance classes for all ages, from young dancers to college-aged. She has also performed throughout Jacksonville at various events. Jennifer graduated from BCS and UNF, has taught in the public school system for several years, and will join the staff of teachers at BCS in August 2006.

3

Piano

After graduating from University Christian School, Jacksonville native Cyndi Hartzell went to Jacksonville University. She graduated magna cum laude with a Music degree in Theory and Composition. She was a musician at the Alhambra Dinner Theater before becoming the Music Teacher at BCS. She retired to become a stay-at-home mom, then she and husband Robert became fulltime missionaries in the Dominican Republic where Cyndi led worship in Spanish for 3 1/2 years. Since returning home, Cyndi has volunteered her services at BCS helping out with Chapel, teaching music classes to 2nd, 3rd and 5th grades, writing and directing last years' Christmas play, and serving extensively in the worship and evangelism ministries of Beaches Chapel Church.

We are grateful these three excellent teachers are willing to share their gifts and talents with our children for nominal fees, so that most of the monies raised through STARS tuition will benefit Beaches Chapel School.
