## July 2021

### Last Month Memories

Last month we took the ARK challenge (Acts of Random Kindness)! We left notes on cars, the kids completed many ARKs at home, and they even showed Mrs. Rachel kindness by helping clean up Base Camp! We had so much fun and hope to continue with our kind acts even now that our series is over!

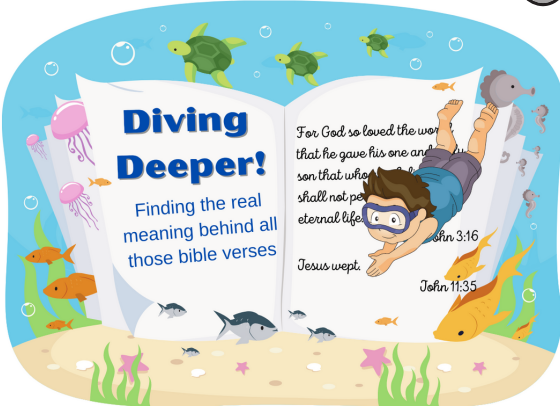

**Block Party Fun!**

# Base Camp: Grades K4-5th

**What's Happening:**

This month we will be joining the "grown up church" and Diving Deeper into all those bible verses we hear and see everyday, but maybe never really understood!

## Memory Verse:

There will be a new memory verse each week! Be sure and check Instagram each week to find out which one we are learning about!
